Overview:
This is the fourth and final Professional Experience Unit of the Bachelor of Education (Primary). Pre-service Teachers are required to complete 20 days of supervised professional experience within the allocated teaching block. In preparation for their professional experience in schools, Pre-service Teachers will engage with unit materials that prepare them for the expectations of this ‘Ready to Teach Practicum’, with a particular focus on catering for individual student needs. Pre-service Teachers are expected to involve themselves fully in the life of the school and reflect on their practice and performance in discussion with their Mentor and their Swinburne Online eLearning Advisor (online tutor, also known as eLA). As this is the final professional experience unit within the course, Pre-service Teachers will be required to demonstrate competency across all seven of the Australian Professional Standards for Teachers (Graduate). Pre-service Teachers are expected to take on a large percentage of whole class teaching within the first two weeks of this professional experience and are required to assume full teaching responsibility for the final two weeks.

The role of the Mentor in the professional setting is crucial to both the University and the Pre-service Teacher in facilitating and supporting professional experience, and we acknowledge and appreciate the significant time that is devoted to this task. In an effort to ensure that this experience is rewarding for all parties, we hope that the information contained in this document clarifies and assists in defining the role.

The expectations from the Mentor:
- Familiarise yourself with the Swinburne Online Professional Experience Handbook and website.
- Discuss the professional experience requirements with the Pre-service Teacher (PST) and provide a school induction.
- Communicate school policies and procedures.
- Share expectations for professional conduct.
- Encourage the PST’s involvement in all aspects of the school life when appropriate (e.g. staff/level meetings, professional development, yard duty etc.).
- Guide the PST in establishing and maintaining professional relationships with students, staff and families.
- Encourage the PST to critically and regularly reflect on their practice in line with the Australian Professional Standards for Teachers (Graduate).
- Provide the PST with support and guidance with all aspects of planning.
- Model, share and discuss teaching and classroom management strategies.
- Share your planning and assessment, with a particular focus on catering for individual student needs.
- Encourage collaboration.
- Negotiate planning time with the Pre-service Teacher (e.g. specialist timetable or after school hours).
- Observe the Pre-service Teacher teaching, and provide ongoing, honest and constructive feedback.
- Share and discuss teacher wellbeing strategies with the PST (e.g. managing planning and teaching workloads).
- Schedule regular meetings to discuss planning and progress.
- Schedule a midway progress meeting with the PST to complete interim report.

The reporting responsibility of the mentor:
We acknowledge the challenge and responsibility that comes with assessing Pre-service Teachers. While we may not physically visit the school, support is available through the Swinburne Online website and the Professional Placement Team. We place great faith in your professional judgement and request an honest validation of the Pre-service Teacher’s progress and final assessment. If you feel that an unsatisfactory result is warranted, your decision will be supported and appreciated by the University.

- Discuss the Pre-Service Teacher’s progress midway through the professional experience (day 10). If a Pre-service Teacher is making unsatisfactory progress, the Mentor is required to contact the Professional Placement Team immediately and if requested by the team, complete the Professional Experience Support Plan in collaboration with the Nominated Supervisor. This is to be submitted to the Swinburne Online.
Professional Placement Team by the Mentor.

- Please complete and submit the final report form, **immediately** after the final placement day. For a detailed explanation of the assessment and reporting process, please refer to the Professional Experience Handbook. The Mentor is required to sign off on the number of completed days. Any missed days need to be made up in consultation with the Mentor and the missed days policy outlined in the Professional Experience Handbook.

**Weekly Expectations:**
Throughout this professional experience, Pre-service Teachers are expected to undertake the specific teaching roles that are outlined below, as a minimum requirement. Any additional teaching opportunities are at the discretion of the Mentor Teacher and in negotiation with the Pre-service Teacher.
