Learnist: How to add a new article

This “How to guide” will assume that you have a Learnist account and a Learnist board available.

Logging on to Learnist

1. Go to the following website: http://learni.st/

2. Click on the Log In link located at the upper right corner of the page.

3. Log in to Learnist with your username and password.
To add a new article on Learnist

1. Click on the “+Add” link. A pop-up box will appear

2. Select the “+ Add from a URL” option
3. Paste the article’s URL in the text box and click next

4. Select an image to go with your article. (If you are unable to locate a relevant image on the pop-up box, you can upload an image from your computer, or locate a suitable image and paste the image link)
5. This is the final step to add an article on your Learnist Board.
   1. This is a textbox for the title of the article which will appear on your Learnist Board
   2. This is a drop-down menu listing all available Learning Board (e.g. Week 1 - Week 12)
   3. This is a textbox for a short description of the article

Once you have completed the instruction above, the article is now available on your Learnist Board.
